

Healing Qualities of Sacred Sound

**Thursdays, February 9 & 16
7:00 to 8:30 pm**

FACILITATED BY CAROLYN VINUP

*Suggested Love Offering
for both classes is \$40*

Join Carolyn Vinup on an interactive sacred sound journey. During these two classes you will have an opportunity to discover and experience the spiritual art and science of inner transformation through sacred sound. Using both individual and group toning and chanting experience, we will expand our consciousness and the inner light that emanates from our mind, body, and spirit. Those vibrations will continue to reverberate out into universal consciousness activating planetary healing.

Carolyn Vinup, Founder of HPSS Global and Gateways to Brilliance offers a portfolio of services: Heart Centered Business Consulting, Consciousness Raising Events, Spiritual Feng Shui, Creating Sacred Space and Sacred Sound Ceremonies.

A message from Carolyn:

I love to work with Sacred Sound and create sacred spaces where your soul can dance. My work is about love and light and washing away energy debris that holds you back from being and expressing your most brilliant light-filled self. I am passionate about cultivating conscious environments, both inner and outer, through my work as a certified Feng Shui and Sacred Sound Consultant. My workshops are interactive, powerful, meaningful and transformational.
