*\$20 Suggested Love Offering*

Join Carolyn Vinup for an interactive workshop and experience your personal blessings!

- ◆ Deepen your connection to your creator
- ◆ Expand your fields of blessings
- ◆ Be touched by goodness
- ◆ Radiate more love

We will share in the joy of giving and receiving blessings both individually and in a group setting.

**Carolyn Vinup**, Founder of HPSS Global and Gateways to Brilliance offers a portfolio of services: Heart Centered Business Consulting, Consciousness Raising Events, Spiritual Feng Shui, Creating Sacred Space and Sacred Sound Ceremonies.

***A message from Carolyn:***

*I love to work with Sacred Sound and create sacred spaces where your soul can dance. My work is about love and light and washing away energy debris that holds you back from being and expressing your most brilliant light-filled self. I am passionate about cultivating conscious environments, both inner and outer, through my work as a certified Feng Shui and Sacred Sound Consultant. My workshops are interactive, powerful, meaningful and transformational.*
