A Sound Healing session wraps you in the healing qualities of sacred sound and opens and clears your energy fields. You will feel more expansive, lighter, brighter, gain clarity, feel deeply relaxed and peaceful.

I felt cleared and re-calibrated. - Michele Rae, Center Within

Imagine a time of pure energy flowing through you in complete peace... - Cindy Locher, Change Works Hypnosis Center

The actual ceremony was one of beauty and grace, where sound become love and love, sound. There was a holiness in that room and a sacredness to the ritual. - Cyndi Dale, Life System Services

This is a great gift idea! Give the gift of love, peace, light, joy and grace to yourself or someone you love.
