

# Be Our Honored Guest For the dedication of our Peace Pole

## What is a Peace Pole?

A Peace Pole is an internationally-recognized symbol of the hopes and dreams of the entire human family, standing vigil in silent prayer for peace on earth. Each Peace Pole bears the message May Peace Prevail on Earth in different languages on each of its four or six sides. There are estimated over 250,000 Peace Poles in every country in the world dedicated as monuments to peace.

## The Global Peace Pole Project\*

Symbolizes the oneness of humanity and our common wish for a world at peace.
